

Dear Potential Vendors:

Thank you for your interest in wanting to apply to be a vendor this year. The Texas Corgi Roundup will be held at Smith Ranch in Katy, Texas. The date for our event is Saturday November 11th, 2023. This event will begin at 10 am and end at 4 pm. The event is benefiting Wyoming Dachshund and Corgi Rescue and Bandit's K9Care. The fee for this year's application and guaranteed spot will be **\$50. \$85** for a vendor spot if you need electricity. This is a one-time fee, and it is 100% a donation to the two non-profits we are fundraising for this year. We also **require** 10% of sales from the day's event which will be a donation to the non profits we are fundraising for.

You **must** have a Facebook account to be considered as a vendor. This may seem silly but it is the BEST way to keep in contact. We have a Facebook group that you need to be a part of to keep in constant communication with us. This also is the most efficient way to deliver updates and reminders to everyone at once.

You are responsible for providing all of your own set-ups such as tables, chairs, canopies, etc. Vehicles **CANNOT** be part of the booth display. Set-up starts at 8:00 am and **must** be completed by 9:00 am. The Committee reserves the right to deny set up if you arrive to start setting up after 9am without refund. Vendors are responsible for removing all garbage from their stall space area. Each 10' x 10' stall space will be left cleaned. Breakdown starts at 3:15 pm. If a vendor with a reserved space does not plan to attend, they are **required** to notify the Committee at least one week before the event date. Any notices received less than a week out will be considered a "no show" and will not be refunded their deposit.

Please apply below if you would like to vend at the Texas Corgi Roundup. The Event Committee reserves the right to reject an application and return all fees. You will be notified of your application acceptance by June 1st, 2023. The Event Committee also reserves the right to accept a limited number of vendors with similar products. Please scan the attached vendor application after completion and email to [TexasCorgiRoundup@gmail.com](mailto:TexasCorgiRoundup@gmail.com) We look forward to receiving your applications!
